THE MANHATTAN

Life Insurance Co.,

OF NEW YORK

ASSETS - \$12,000,000.

BETTER THAN A

GOVERNMENT BOND.

The MANHATTAN for a limited period will offer the residents of Nevada a Bond Combining Insurance and investment that is in reach of all and which every healthy able-bodied man in the State should possess—for the protection of himself and family.

In explanation read what follows: Suppose a special agent of the U. S. Treasury Department should call on you today and say:

The Government would like to sell you bonds for any amount between \$1,000 and \$30,000 and if it is not convenient for you to make the investment at once, we will allow you to pay for the bonds in

Ten Equal Annual Installments.

And, suppose, in addition to this, the Government, wishing to make this the most desirable investment in the world, should stipulate in the bond, not only to pay them at the end of the term, but in case of your previous death, to pay them to your family and AT THE SAME TIME RELEASE YOUR FAMILY FROM PAYING ANY FURTHER MONEY.

Would you not at once close with such an offer? And yet this is practically what the Manhattan Life Insurance Company, of New York has done and is doing.

For a full explanation of this plan, address, giving your full name, address, occupation and age,
